## Human Services

Southeastern Tech is sensitive to the need for qualified persons in the human services field. There are degree, diploma, and certificate programs geared to prepare students for such opportunities.

These programs combine classroom instruction, laboratory practice, and practicum experience to assure that students obtain the most current skills required for their chosen profession.

Students interested in Human Services programs may obtain admission requirements from the Admissions Office. Additional information concerning course offerings, entrance dates, and program costs is also available.

## General Education Core Competencies

The overall goal of a college education is to help students become productive citizens. The General Education core contributes to this concept by providing a variety of learning experiences which ensure that graduates are intellectually prepared for lifelong learning.

STC has identified the following general education core competencies that graduates will attain.

- The ability to utilize standard written English.
- The ability to solve practical mathematical problems.
- The ability to read, analyze, and interpret information.

## Capstone Courses

An integral part of a student's education as they move through a given program of study is the ability to transfer and apply knowledge to the workplace. As a key component of degree, diploma and select technical certificates, capstone courses have been identified which include any of the following: a specific exit exam, project, portfolio, or skills check-off, etc. measuring student knowledge. When students are able to pass the exit assessment, they demonstrate they have retained knowledge throughout their program of study which will carry over to their chosen career. Students who do not pass the exit assessment will not be able to graduate and the capstone course will need to be repeated and passed along with the exit assessment.

In instances in which a student transfers from another college (having taken a course there-which is a capstone course here) into the same program at STC, they will need to complete STC's program exit assessment. This will be a requirement before credit for the course is given. In cases in which a student transfers from another college that has a capstone course for same program, the student will need to take the exit assessment for STC's designated capstone course. Students who do not pass this assessment will not be able to graduate and the capstone course will need to be repeated and passed along with the exit assessment.

For any questions regarding STC's capstone courses, please see your program advisor.

## ***Criminal Justice Technology Associate of Applied Science Degree Program Major Code CJT3***

## ***Cosmetology Diploma Program*** ***Major Code CO12***

The Cosmetology program is a sequence of courses that prepares students for careers in the field of cosmetology. Learning opportunities develop academic and professional knowledge and skills required for job acquisition, retention, and advancement. The program emphasizes specialized training in safety, sanitation, state laws, rules, and regulations, chemistry, anatomy and physiology, skin, hair, and nail diseases and disorders, hair treatments and manipulations, hair shaping, hair styling, artificial hair, braiding/intertwining hair, chemical reformation and application, skin and nail care, hair coloring, hair lightening, reception, sales, management, math, reading, writing, interpersonal relations development, computer skills, employability skills, and work ethics. The curriculum meets state licensing requirements of the State Board of Cosmetology and Barbers. Program graduates receive a Cosmetology diploma and are employable as a cosmetology salesperson, cosmetologist, salon manager, or a salon owner.

### **EMPLOYMENT OPPORTUNITIES**

A licensed cosmetologist may choose from a variety of career options: hair stylist, nail technician, skin care specialist/esthetician, makeup artist, electrolysis, manufacturer representative, cosmetic chemist, free-lance writer of beauty articles, hair colorist, salon owner, salon chain owner, salon manager, retail specialist, competition champion, platform artist, administrator, board member, or educational specialist. Cosmetology offers limitless opportunities in a rapidly growing industry.

### **LICENSURE**

Upon successful completion of the cosmetology program, a licensure examination is required by the State of Georgia. The test is both a practical evaluation requiring a minimum of 70% accuracy and a written evaluation, which also requires a minimum of 70%. Southeastern Tech requires a cosmetology graduate to test and pass the exam within a 2 year period of graduation or successful completion of a refresher course is required for documentation to apply for the exam.

After obtaining a passing score on both the written and practical examination, a candidate must submit an application for licensure to the Georgia State Board of Cosmetology and Barbers with the appropriate fee. Passing the written and practical exam does not guarantee licensure. All criminal convictions and any board sanctions must be reviewed by the Board as a consideration for licensure.

### **ADMISSIONS CRITERIA**

- Submit a completed application and application fee;
- Be at least 16 years of age;
- Submit an official copy of your high school transcript or high school equivalent scores;
- Meet the following assessment requirements:

### **SPECIAL PROGRAM FEATURES**

The Georgia State Board of Cosmetology and Barbers requires completion of 1500 hours of specific theory and lab skills; therefore, attendance is vital. There are no excused absences. The student is expected to be on time for class and labs. Students who absolutely must be absent are expected to assume responsibility for arranging to make up all time and work missed at the

convenience of the instructor. Failure to make up the time missed due to absences by the end of the given semester will result in a grade of WF.

Students who desire to work in a salon while attending school must obtain an Apprentice License and work under a Master Cosmetologist who has been licensed for a minimum of 36 months. The salon should be a full-service salon. Hours obtained under this apprenticeship are not applicable to the required school hours.

Cosmetology graduates who have not taken the state board exam within a two year time frame of graduation, or graduates who have been unable to pass the state board exam within a two year time frame of graduation, will be required to retake cosmetology/hair designer courses before the state board examination eligibility form will be signed. Graduates will be responsible for all tuition and fees required to take the necessary courses.
