

ON-LINE CAREER ASSESSMENT

GAfutures

(Provides a skills assessment, school and occupational information, and job outlook for Georgia)

1. Go to <http://www.gafutures.org>
2. Click on **Create An Account** (If you have a current GACollege411 profile, you can use those account credentials to sign in)
3. Click on **Career Exploration**
4. Click on **Interest Profiler**
5. Complete the assessment
6. Print out your results
7. You may also view information about occupations and schools in this program.

It is highly recommended that you schedule a time to meet with a Career Counselor after taking any online Career Assessment. Call Melissa Rowell at 912-538-3142 or Lance Helms at 912-538-3207 to schedule an appointment.

CAREER EXPLORATION RESOURCES

Occupation Outlook Handbook

(The Occupational Outlook Handbook gives you job search tips, links to information about the job market in each State, and much more. It tells you: the training and education needed, earnings, expected job prospects, what workers do on the job, working conditions)

1. Go to <http://www.bls.gov/ooh/>
2. Enter a *Job Title* in the **SEARCH** box and click **GO**
3. Click the Occupation Brief Link
4. To print an Occupation Brief handout click the pdf link in the top right corner.

O*Net Online

(The Occupation Information Net is the nation's primary source of occupational information)

What can I do with my major? Have you asked yourself "What should I do with my major?" or Maybe, "What occupation should I pursue?" If you answered "Yes" to any of these questions, O*Net Online is a very useful tool that can help! This career exploration and job analysis tool sponsored by the US Department of Labor can help you:

- Learn more about the requirements and job duties associated with positions you are interested in
- Search for occupations that use your skills, interests and values
- Look at related or similar occupations
- Research salary and projected growth within the industry

Learn more about the tool and get started in exploring your potential career paths.

1. Go to <http://www.onetonline.org/>
2. Enter an occupation or job title in the Occupation Search box
3. Click the occupation title to view detail information

GCIS

Georgia Career Information Center, through its Georgia Career Information System (GCIS), provides current and accurate occupational and educational information to schools and agencies throughout Georgia in order to help young people and adults make informed career choices.
