

ACCOUNTING

STC's **Accounting Program** is a sequence of courses that prepares students for careers in today's technology-driven workplaces. The skills students acquire in this program help them to not only secure a job in accounting, but to excel and advance in the field. Students obtaining an accounting associates degree will be able to enter the work force as accountants with the skills necessary to handle an array of financial and managerial accounting tasks, including maintaining a set of books for business entities, including sole proprietorships, partnerships, corporations, subsidiary record accounting, fixed and intangible assets, and many more.

To find out more about Accounting, contact Southeastern Technical College at 912-538-3100 or 478-289-2200 and ask to speak to a Career Counselor.

Students obtaining an Accounting Degree will be able to handle financial tasks such as:

- Payroll
- Income Tax Preparation
- Spreadsheets
- Computerized Accounting
- Current and Long - Term Liabilities

Immediately upon graduation, recent STC graduates have made between \$8 and \$12 per hour.
