

AUTOMOTIVE TECHNOLOGY

STC's Automotive Technology Program is a sequence of courses designed to prepare students for careers in the automotive service and repair profession. Graduates of STC's auto tech program leave the school with a diploma that certifies their readiness to contribute—from day one—to an array of automotive professions as an entry-level technician. The program emphasizes a combination of automotive mechanics theory and practical application necessary for successful employment.

To find out more about Automotive Technology contact Southeastern Technical College at 912-538-3100 or 478-289-2200 and ask to speak to a Career Counselor.
