

BUSINESS MANAGEMENT

STC's Business Management Program is designed to prepare students for entry into management and supervisory occupations in a variety of businesses and industries. Courses teach the managerial fundamentals of coordination, delegation, prioritization, and supervision while students also learn that good managers must be effective communicators, analytical thinkers and determined, motivating leaders.

To find out more about Business Management, contact Southeastern Technical College at 912-538-3100 or 478-289-2200 and ask to speak to a Career Counselor.
