

# PRACTICAL NURSING

The STC Practical Nursing Program is designed to prepare students to write the NCLEX-PN for licensure as practical nurses. The program prepares graduates to give competent nursing care through a selected number of general core and occupational courses providing a variety of techniques and materials. Students will take part in a number of clinical experiences so that theory and practice are integrated under the guidance of the clinical instructor. Program graduates receive a practical nursing diploma and have the qualifications of an entry-level practical nurse.

To find out more about Practical Nursing, contact Southeastern Technical College at 912-538-3100 or 478-289-2200 and ask to speak to a Career Counselor.

## Employment opportunities:

- Nursing Homes
- Hospitals
