

Radiologic Technology Program

Job Placement Rate (Diploma)

Five-year average job placement rate of not less than 75% within twelve months of graduation for those graduates actively seeking employment

Job placement rate is defined as the number of graduates employed in the radiologic sciences compared to the number of graduates actively seeking employment in the radiologic sciences. The JRCERT has defined not actively seeking employment as: 1) graduate fails to communicate with program officials regarding employment status after multiple attempts, 2) graduate is unwilling to seek employment that requires relocation, 3) graduate is unwilling to accept employment due to salary or hours, 4) graduate is on active military duty, and/or 5) graduate is continuing education.

Year	Job Placement Rate*	Number of Graduates
2009	100%	10 out of 10 graduates actively seeking in field employment were employed within 12 months of graduation (10 graduates)
2010	100%	8 out of 8 graduates actively seeking in field employment were employed within 12 months of graduation (10 graduates) <ul style="list-style-type: none"> • 1 graduate did not actively seek employment within 12 months of graduation • 1 graduate did not actively seek employment within 12 months of graduation, but continued their education upon graduation
2011	75%	3 out of 4 graduates actively seeking in field employment were employed within 12 months of graduation (6 graduates) <ul style="list-style-type: none"> • 1 graduate continued their education upon graduation and did not actively seek employment within 12 months of graduation • 1 graduate actively seeking employment was unable to secure employment within 12 months of graduation, but continued their education • 1 graduate did not actively seek employment upon graduation, but secured out-of-field employment after 12 months of graduation
2012	100%	6 out of 6 graduates actively seeking in field employment were employed within 12 months of graduation (6 graduates)
2013	100%	10 out of 10 graduates actively seeking in field employment were employed within 12 months of graduation (12 graduates) <ul style="list-style-type: none"> • 1 graduate did not actively seek employment upon graduation • 1 continued their education upon graduation
5 Year Average	97.4%	37 out of 38 graduates actively seeking in Field employment were employed within 12 months of graduation

**Note: 2011-2013 JRCERT Standards asked for employment data within six month of graduation for those graduates actively seeking employment. The Standards were revised in 2013 and implemented 2014 to twelve months of graduation for those graduates actively seeking employment. The following reflects employment data based on the revised 2014 JRCERT Standards for graduates actively seeking employment within 12 months of graduation.*

Job Placement Rate (Degree)

Five-year average job placement rate of not less than 75% within twelve months of graduation for those graduates actively seeking employment

Year	Job Placement Rate†	Number of Graduates
2014	87.5%	7 out of 8 program graduates obtained employment within 12 months of graduation (8 graduates) <ul style="list-style-type: none">• 1 graduate gained employment 15 months after graduation
2015	83%	5 out of 6 program graduates obtained employment within 12 months of graduation <ul style="list-style-type: none">• 1 graduate did not actively seek employment
2016	80%	8 out of 11 program graduates obtained employment within 12 months of graduation <ul style="list-style-type: none">• 1 graduate did not actively seek employment• 2 graduates are employed in an unrelated field
